

CREW/SPECTATOR INFORMATION

Support crews/Spectators are most welcome at the Scenic Rim Ultra Marathon. We love support crews – especially those that dress up and cheer loudly! The more people and the more enthusiastic you are the better the atmosphere for the runners. To keep the event manageable as well as fair and safe for all runners, and to make sure support crews do not get lost, there is some information support crews need to know.

Support crews are in for a real treat. This is a spectacular course and you will see some amazing parts of the Scenic Rim. Please bear in mind that there may be lots of support crew vehicles driving and parking on narrow roads. Please keep your speed down and lights on and be careful entering and exiting parking areas. There is absolutely no need to speed to see your runner at the next aid station. You will have plenty of time.

Mobile phone coverage on the course is good.

Crews must wait to assist their runners until after the official check-in and medical evaluation (if required)

Crews must stay within 200m of the checkpoint while attending to their runners.

Crews must never park in such a way to block traffic, access to the trail, checkpoint or by double parking.

Crews are responsible for the removal of their rubbish – no littering.

Competitors will be held responsible for the actions of their crews.

Support Crews are not compulsory and runners can self-support at the event by making use of the drop bag service at checkpoints 2, 4, 6, 7/11, 8/10, 9 and the finish line. If you do choose to use a support crew, they only permitted to assist runners at the following checkpoints in the table below.
