

GEOFF MORAN

I have been cycling most of my life, mainly road cycling till about 4 years ago when I tried Mountain Biking. I was instantly attracted to the extra challenges of MTB riding and to what appears to be a very friendly relaxed environment amongst the riders.

I enjoy racing the longer XC races, the biggest so far being the 4 day Port to Port race in 2019. The 4,6,12 and 24 hour races are also great fun in a team environment.

More Gravity Enduros are on my radar for 2020 after dabbling in a couple in 2019.

My biggest goal for the future is to gain some coaching accreditation which will allow me to share the enjoyment of MTBing with people new to the sport.

Please say Hi if you see me out on the trails
